

SOCIO-ECONOMICALLY DISADVANTAGED GROUP (SEDG) CELL

At RAAK College of Engineering and Technology, the Socio-Economically Disadvantaged Group (SEDG) Cell is committed to fostering inclusivity and equal opportunities for all students, regardless of their socio-economic backgrounds. The cell functions as a dedicated support system to ensure that students from underprivileged sections of society can thrive academically, socially, and personally.

Objectives:

- **Empowerment:** Provide holistic support to socio-economically disadvantaged students to help them excel in academics and beyond.
- **Awareness:** Create awareness about various government and institutional schemes, scholarships, and opportunities available to SEDG students.
- **Skill Development:** Organize training sessions, workshops, and mentorship programs to enhance employability and personal development.
- **Support System:** Establish a strong support network to address challenges related to finances, academics, and mental health.

Key Activities:

- **Financial Assistance:** Guidance on availing scholarships, fee waivers, and education loans.
- **Academic Support:** Remedial classes, peer tutoring, and access to additional learning resources.
- **Skill-Building Programs:** Tailored workshops on soft skills, technical skills, and career readiness.
- **Awareness Campaigns:** Sessions on government and private schemes beneficial for socio-economically disadvantaged students.

- **Counselling Services:** Psychological and career counselling to ensure the well-being and holistic development of students.

Impact:

The SEDG Cell has been instrumental in enabling many students to overcome barriers and achieve their goals. By addressing the specific needs of socio-economically disadvantaged students, the cell ensures that no student is left behind in their pursuit of education and personal growth.
