ENTREPRENEUR DEVELOPMENT CELL

The Entrepreneurship Development Cell (EDC) is dedicated to supporting student entrepreneur. The cell asks a number of well-known business owners to share their insights. Regular lectures and awareness campaigns are held to educate students about the benefits and drawbacks of being an entrepreneur. Throughout the year, guest lectures are held to engage the students in a variety of activities.

OBJECTIVES OF EDC

1. To organize Entrepreneurship Awareness Camps, Entrepreneurship Development Programs, Faculty Development Programs and Skill Development Programs for the benefit of students.
2. To motivate and develop entrepreneurship among the students.
3. To initiate innovative student projects each year for new innovative product development.
4. To arrange interaction with entrepreneurs and create a mentorship scheme for student
5. To facilitate creation of entrepreneur's club.
